UZTS (our Host Association) will assist you for **Visa on Arrival** (collect the visa upon arrival at Tashkent or Samarkand International Airport). Please request beforehand the Visa Invitation Form from the ITMF Secretariat ([secretariat@itmf.org](mailto:secretariat@itmf.org)) and send this Form (filled out) to the Host Association UZTS (contact email on the form). They will prepare a document which then only needs to be paid and stamped by Customs on arrival.

[Visa Fee](#) depends on visa type, type of entry (single/multiple) and duration of stay (more/less 30 days).

The **request form for the invitation letter** for the visa application can also be ordered by ticking the respective box in the online registration.
